

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

I am concerned with the apparent stance of the FCC to allow the consolidation of media ownership. It is already difficult to find differing opinions as well as honest journalism with almost all sources of media. Further consolidations will erode trust in the media. As the airwaves are the people's resource, I ask that you do not give further power to corporations that only seek to maximize profit.
